

Gulf States Conference of Seventh-day Adventists®

March 6, 2024

School Administrators
School Districts in Alabama, Mississippi, and Florida

Dear School Administrators:

On April 26-28, 2024, the Gulf States Conference Adventurers will be attending "Family Fun Weekend", an annual Conference-wide event. Adventurers is a Christian scout-type program for both boys and girls sponsored by the Seventh-day Adventist Church. It encourages mental, physical and spiritual growth through the development of personal skills in various pursuits. These range from household arts to nature appreciation and recreational activities.

The event will last from Friday afternoon, April 26, through Sunday, April 28. Various activities will challenge the young people in the areas mentioned above.

We are asking that you excuse _____
who is a member of the _____ Adventurer Club
so that he/she can attend this event. He/She will be absent from _____
until _____.

Thank you for your careful consideration of this request.

Sincerely,

Pastor Michel Rodriguez
Youth Director
Gulf States Conference of Seventh-day Adventists
