Theme Song

“The Goodness of God”

A shorter version will be available at camporee

I love You, Lord
For Your mercy never fails me
All my days, I've been held in Your hands
From the moment that I wake up
Until I lay my head
Oh, I will sing of the goodness of God.
And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God.
I love Your voice
You have led me through the fire
In the darkest night
You are close like no other
I've known you as a Father
I've known you as a Friend
And I have lived in the goodness of God
(yeah)
And all my life You have been faithful (oh)
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God (yeah)
'Cause Your goodness is running after, it's
running after me
Your goodness is running after, it's running
after me
With my life laid down, I'm surrendered now

I give You everything
'Cause Your goodness is running after, it's
running after me (oh)
Your goodness is running after, it's running
after me
Your goodness is running after, it's running
after me
With my life laid down, I'm surrendered now
I give You everything
'Cause Your goodness is running after
It's running after me.
And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God
I'm gonna sing, I'm gonna sing.
'Cause all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God
Oh, I'm gonna sing of the goodness of God.
We love Your praise
All for all my days.

Thursday and Sabbath Events

Games are endurance and participation events. It is not a competition event. Your club will NOT be integrated with the other clubs. You need to be a team within your club. Some of these events are listed in the Gold Medallion requirements needed to complete your challenge.

Please ask at registration for the card with your name. See the list for the games on the MG website and download the instructions.

1. Campfire

Each participating group must make a bonfire and there will be a loop with a balloon with water which must burst with the heat of the campfire, the height will be considered for a small campfire. It will be counted by time. (Gold Medallion cards holders will need to complete this task to receive the approval to buy the Medallion). Materials will be provided.

2. Don't fall

This should be a flat board that must have several holes, this will be in pairs and each club must have at least 3 pairs for this activity. Each club must make its own board measuring 1 foot wide by 3 feet long, the holes must be 1 inch in diameter. They will have 3 opportunities to complete this activity and if they do not pass it, they will be disqualified. Materials will be provided.

Need to bring enough hula hoops for the participants.

5. .Bandages

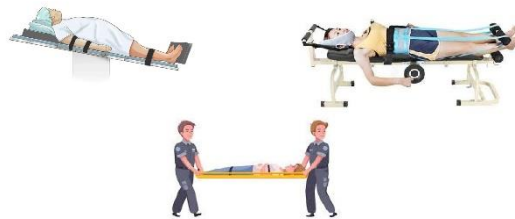

They must make diverse types of bandages, each team must demonstrate their skills when helping someone, they will be given the list of the types of bandages they must make at the time, based on the list of bandages that we send for them to practice. There will be a time limit to conduct this activity. The Instructor of the Game will be the timekeeper. **Each club must bring its own bandages or material to make the bandages, (scarves, bandages, splints, etc.)**

6. Moorings

Each team must prepare with different ties to be able to make a table with their wooden chairs or whether it is a chair, if it is the table it has to be with their chairs and the team must assemble it correctly and, in the end, they must test their creation and they must sit down to rate their work themselves. If it is a chair, there must be at least 3 participants per group, 3 groups per club. And in the same way, when they finish assembling, they will have to sit down. The type of mooring will be checked, and each one must know the name of the type of mooring they will be performing. (**Each club must bring its materials** to put together what they have to present. The size must be proportional to what they can easily move for the place of the event since at the end they will have to collect their materials.

provided to them and it will be with a time limit. At the end, it will be verified that it has been put together correctly. Material will be provided.

9. Bucket fall

In this challenge there must be at least 5 participants per group, the purpose is that as a team they lift a 5-gallon container full of water as shown in images and remove their shoes and socks without spilling the water, in case they spill it they will have three opportunities and a maximum time. If they do not complete the challenge before the end of their time, they must leave the game. Need to bring buckets for participants.

10. Ribbed

This activity is a little different from what we are used to, there must be 4 people per team, they must be in a giant **sack that will be provided**, this is teamwork, and they must get from one end to the other in a maximum time. Participants must work completely as a team to be able to jump evenly so that they can move forward in an efficient manner. Materials will be provided.

They must complete some sentences that they will be asked to do, this activity will be supporting the 28 beliefs in which they will be working, everything will be in a simultaneous way, it will be part of a biblical rally and they will have to be attentive to the indications that will be given to them about what they have to transmit (it is recommended that they practice a lot about the signs and their correct use, since the progress and fulfillment of this activity depends on this. (Gold Medallion cards holders will need to complete this task to receive the approval to buy the Medallion). Wiki site.
