

# SUPPORT MISSIONARY WORK Proposal

The primary purpose of this proposal is to invite your Adventurer Club to commit to helping the mission field in various ways, including prayer, supplies, and funds if applicable. By joining us in this endeavor, you will not only be strengthening your Adventurer Club's faith and sense of mission but also making a significant impact in the lives of those who need it the most.

Our proposal entails the following commitments and benefits:

1. **Prayer:** We encourage your Adventurer Club to dedicate regular time to pray for the mission field, the missionaries, and the people they serve. Prayer is a powerful way to support and uplift those in the field.
2. **Supplies and Funds:** Your club can contribute tangible resources or financial aid to specific mission projects. These contributions can make a substantial difference in the lives of the people being served.
3. **Learning Opportunities:** Your Adventurers will have the chance to learn about various strategies and methods employed in the mission field to spread God's message. This knowledge can deepen their understanding of God's work and their role in it.
4. **Direct Involvement:** We are excited to offer your club an opportunity to attend Family Fun Weekend our main event where you can present the country or mission field you have chosen to support during the year. This event will give your Adventurers a unique platform to share their experiences and insights.
5. **Connecting with Missionaries:** The conference will provide direct contact with the mission field, enabling your club to communicate directly with the missionaries. This interaction will allow your club to better understand their needs and offer assistance that aligns with the mission's goals.

We invite your Adventurer Club to be a part of this noble initiative and to experience the joys of serving in the mission field. We believe that your involvement will not only bless others but also enrich the lives of your Adventurers as they move God's message in the mission.

If you are interested in participating in this project or have any questions, please do not hesitate to contact us. We look forward to your positive response and your club's involvement in this meaningful endeavor.

Thank you for your commitment to the mission, and we look forward to working together to make a positive impact on the mission field.
