Dear School Administrator:

On May 3- 5, 2024, the Gulf States Conference Pathfinders will be attending the Pathfinder Fair, an annual Conference-wide event. Pathfinders is a Christian scout-type program for both boys and girls sponsored by the Seventh-day Adventist Church. It encourages mental, physical and spiritual growth through the development of personal skills in various pursuits. These range from household arts to nature appreciation and recreational activities.

The event will last from Friday afternoon, May 3 through Sunday afternoon, May 5. Various activities at the Fair will provide an outdoor education training experience. The Pathfinders will be camping in tents, doing their own cooking and taking part in skilled outdoor events. They will earn Honor badges for arts and crafts, nature studies, health sciences, outdoor industries, recreational and vocational classes. All Pathfinders will enjoy character building and patriotic programs throughout the Fair.
