**Purpose**

The Volunteer Ministry Information Form assists churches in appointing the best possible individuals to serve within the various ministries the church offers. This form is part of a screening process which protects the volunteers, while also serving to protect children and youth from predators and the Church from liability. This record, once turned in, becomes the property of the local church. Applicants may request that a copy of their Volunteer Ministry Information Form be forwarded to another church should they move their membership.

**Procedure**

Copies of this Volunteer Ministry Information Form are available from the church office, or from [www.nadadventist.org](http://www.nadadventist.org). Ministry leaders are responsible for distributing forms to prospective volunteers, and making certain that they have completed the screening process prior to serving.

The completed forms are returned to the church pastor, who passes them on to the Volunteer Screening Committee. This group, appointed by the church board, determines volunteer eligibility. The committee interviews applicants, checks references, and **may** request a criminal record check. The committee's recommendation, marked on page 1, is signed and dated. The committee gives a copy of the first page of this form to the ministry leader. The Applicant agrees to participate in any orientation or training programs conducted by the church or conference. The Volunteer Ministry Information Form shall be shared with another church entity only upon the applicant's written request. Any such requests will be attached to the original document and kept on file.

**Policy**

All information on this Volunteer Ministry Information Form is required by the North American Division. The information on this form shall be kept confidential and become a permanent record of the Seventh-day Adventist Church. Volunteer records should be updated every three years. In the event of accusations against the applicant, opportunity shall be given for response by the accused. Such a response will also become a part of the record and must be attached to this form.
