

October 2, 2023

Dear Pathfinder Leaders & Pastors,

I hope this message finds you well. We want to take a moment to communicate an important update regarding eligibility for the upcoming International Camporee in Gillet, Wyoming, in 2024.

As we all know, the International Camporee is a significant event that brings together Pathfinders from around the world for a memorable and enriching experience. To ensure the safety, organization, and quality of this event, it is essential that we maintain certain criteria for participation.

Starting this Pathfinder year 2023-2024, it has been decided that only active Pathfinders and staff members who are part of a Pathfinder Club will be eligible to attend the International Camporee in 2024. This decision has been made to encourage active participation and commitment to the Pathfinder Club and its mission, and most important because next year there won't be enough time for NEW volunteers to do the adventist screening verification.

We understand that this change may affect some individuals who may have previously planned to attend the just International Camporee. However, we believe that this adjustment will strengthen our local Pathfinder Clubs, foster a sense of belonging, and enhance the overall experience for all attendees.

We kindly ask all leaders and pastors to communicate this important update to your Pathfinder members and staff. Please provide them with any necessary information and guidance on how to join or rejoin the Pathfinder Club. If they wish to be eligible for the International Camporee in 2024, they should all be active members of Pathfinders.

We appreciate your dedication to the Pathfinder ministry and your understanding of this important decision. We believe, it will lead to a more vibrant and unified Pathfinder community.

If you have any questions or need further clarification, please do not hesitate to reach out to us. We look forward to your continued support in making the International Camporee 2024 an unforgettable experience for all.

#United in HIM,

Michel Rodriguez , Youth Ministries Director
